Dear Parent / Carer

### **POOLE FARM – FORDER VALLEY**

We would like to invite your child to join our project with Poole Farm for five weeks after afternoon on Thursdays. We are hoping that your child will join a team of 5 students to work with staff at Poole Farm on a range of outdoor tasks, such as helping to look after the animals, developing the farm's allotment garden and / or collecting seeds for the re-treeing project. Please complete and return the slip below to confirm that you consent for your child to take part in the project.

Students will attend and depart school as per their normal daily routine. At about 9.40 they will travel to Poole Farm in the school minibus. The students shall be supported by a Teaching and Learning Assistant from school as well as key staff from the Farm. Students will need to wear clothes suitable for working outdoors and if they have them bring welly boots (these can be borrowed from school if necessary).

If your son/daughter has Free School Meals, then a packed lunch will be provided for them on the day. If you wish them to have a packed lunch that would be paid for then please pay as normal through the school system. Alternatively, if you want to provide your son/daughter with a packed lunch then please feel free to do so, please let us know by adding a note to the slip below. They might like to bring extra snacks and a spare drink. Students will leave Poole farm at about 2pm and return to school ready for the end of the school day.

This is an exciting new project for our students and for Poole Farm and I look forward to seeing the team thrive. Any questions please either contact myself or Mr Dean through the Hub.

Yours sincerely

Mrs Eglinton
