NCW

Apprenticeships are jobs with training. They offer a fantastic chance for anyone aged 16+ to earn as you learn, gaining on the job experience in a particular sector, whilst being supported by a training provider to gain a nationally recognised qualification from Level 2, up to degree level.

In this edition, there are more than 350 live vacancies that are directly linked to an employer, including:

- five in Accounting and Finance
- 33 in Administration, Business and Customer Service
- one in Agriculture
- seven in Autocare and Mechanical
- 19 in Construction and the Built Environment
- 28 in Education and Childcare
- 200+ in Engineering, Manufacturing and Marine
- three in Hair and Beauty
- multiple in Health and Social Care
- multiple in Public Services
- five in Hospitality, Retail and Tourism
- two Workforce Development - pathways for upskilling new and existing managers.

In addition to the vacancies advertised here, if you know an employer looking to take you on as an apprentice, we can connect you with a training provider to arrange the apprenticeship.

National Careers Week (4 March – 9 March) will see organisations across the country working to increase awareness and excitement of career opportunities, as they inform and inspire people of all ages on their journeys.

Here in the city we have a growing workforce of almost 120,000 people and throughout next week Skills Launchpad Plymouth is championing careers digitally at www.skillslaunchpadplym.co.uk, and through themed experiences, events and support sessions, around Plymouth's growth sectors.

The Skills Launchpad Plymouth website hosts localised resources based on age – [click here for the Youth Hub](#) and [here for the Adult Hub](#) - but also for key sectors ([click here](#)), including businesses services, construction and the built environment, creative industries, digital, education and childcare, engineering and manufacturing, green economy, health and social care, marine and defence, public services, tourism, hospitality and retail.
