

Visitor Information

We are very proud of our school and very much enjoying showing others what we do but the safeguarding of our students is of utmost importance and the requests below are to protect them.

All visitors to the school will be asked to sign in at the Hub and receive a visitors' badge. When signing in visitors will receive advice about our school along with our safeguarding information.

Evidence Required

Photographic ID or proof of who you are will be required and evidence of the purpose of your visit.

If you will be working within the school, you will also be asked to provide evidence of your DBS checks, if unable to do this a member of staff will accompany you around the school.

Badges

If you are able to show us a valid DBS you will be given a visitors badge with a yellow lanyard but if unable to you will be given a badge with a red lanyard. If you have an ID badge from your own employer you will also be requested to wear this.
